Adding Project category in Validation group in Dynamics Ax

Go to SDL > project management and accounting > Setup > validation > project/category validation Groups.

Now select the validation group and filter project category from the remaining categories like below.

The screenshot displays the 'Project/Category Validation Groups' setup in Dynamics AX. The interface is divided into several sections:

- Left Pane:** A list of project categories, including 'Depart', 'Expense', 'GenCost', 'MEDIA', 'NBClient', 'NEW.AGENCY', 'NY.EVENTS', 'NY.EVENTS.ADMIN', 'NY.EVENTS.CATERING', 'NY.EVENTS.FACILITIES', 'NY.STUDIO.CATERING', 'NY.STUDIO.RENTAL', 'NY.STUDIOS', 'PARTNERSHIP', 'Pitch', 'POST.CREATIVE', 'POST.ECOM', 'POST.MI', 'PostPP', 'PremCost', 'PROD.CAST', 'PROD.ECOM', 'PROD.MI', 'PROD.PASS', and 'PROD.STYLE'.
- Central Pane:** A list of project categories with filters. The 'Project/Category' is set to 'Expense' and the 'Name' is 'Expenses'. The list includes project IDs and names, such as 'SDLPJ000610.01 Lumene Retainer 2017 - Exp' and 'SDLPJ000615.01 M&S Agency Retainer 2017 - Exp'.
- Right Pane:** A list of 'Remaining categories'. The 'Show' filter is set to 'Active'. The 'EX.10FP' category is highlighted with a red box, indicating it is the selected category for the validation group.
